

Northern Nevada Water Planning Commission

STAFF REPORT

DATE: October 28, 2021
TO: Chair and Members, Northern Nevada Water Planning Commission
FROM: Kim Rigdon, Water Resources Program Manager
SUBJECT: Program Manager's Report

SUMMARY

Item 8 is a standing agenda item that includes the updated reports for items (a) and (b) for NNWPC review.

- a) Report on the status of Projects and Work Plan supported by the RWMF; and
- b) Financial Report on the RWMF.

These items will not be provided to the board at this time. The new program manager is currently working with staff to review projects, associated scopes of work, budgets, and contract timelines to ensure they align with financial reporting.

DISCUSSION

Staff is looking for comments from the board on the information provided in the Program Manager's Report to determine if additional information and/or an alternate representation of information would enhance the Program Manager's Report moving forward.
